LB 630, 628, 336, 396

Speaker, there was talk about the dollar for dollar coverage as Senator Lamb pointed out. Well, if we only need \$50,000 to get the \$827,000, then we don't want to limit that. So we will just leave it as it is. I was thinking about some more clarifying language to make sure we only spend exactly the amount that we get in but that won't work if that turns out to be the case so we will just go with this and all it says is "Such funds shall not be...", well, I have got a revised version of it, I am not sure. Essentially what it says is that we don't spend money, state money, until we get the federal money in. Basically that is it. That is what the language is and that is what Senator Goodrich amended it to say. Okay, Mr. Speaker, we will go ahead and Senator Goodrich and I will withdraw the amendment at this time and make sure the language is proper before we proceed with it.

SPEAKER NICHOL: The Wesely amendment is withdrawn. Do you have anything else on the bill, Mr. Clerk?

CLERK: I have nothing further on the bill, Mr. President.

SPEAKER NICHOL: We are back to the bill. Senator Warner.

SENATOR WARNER: Mr. President, I move that LB 630 be advanced.

SPEAKER NICHOL: Any other discussion on the advancement of the bill? The question is, shall LB 630 advance? All those in favor say aye, opposed nay. It is advanced. We will move on to LB 396. You will find this down under #6 and it should fit in right here so we are moving to LB 396. Mr. Clerk, did you want to read in something?

CLERK: Mr. President, first of all, Senator DeCamp would like to print amendments to LB 628 in the Journal. (See page 1514-1515 of the Legislative Journal.)

And, Mr. President, I have a request from the Appropriations Committee to bracket LB 628 on E & R engrossing. (See page 1516 of the Legislative Journal.)

SENATOR BEUTLER PRESIDING

SENATOR BEUTLER: No objections, so ordered.

CLERK: Mr. President, Senator DeCamp would like to print amendments to LB 336 in the Legislative Journal. (See pages 1515-1516 of the Legislative Journal.)

Mr. President, when we last left LB 396 Senator DeCamp had
